**JOKISCH MONOS ATOS N3S (Jokisch Special Cutting Oil S 91)**

Mineral oil free cutting oil for medium to severe machining.

---

**APPLICATION**

Developed specially for medium to severe cutting of high alloyed steel. In addition to the use of high-alloyed and non-rusting steel, it also exhibits excellent results in the machining of chromium-nickel steel, titanium, manganese carbon steel. Excellent for drilling, tapping, grating, grooving, sinking, turning milling and sawing. Is also suitable for application in micro-lubricating systems.

---

**CHARACTERISTICS**

Operates extremely economically with minimum tool wear and prevents the build up of cutting edges. Long tool life and optimum workpiece quality are the result. Due to the composition of materials, this product shows excellent skin compatibility.

---
